AMMI Canada Membership Reinstatement Policy

Any former AMMI Canada member whose membership has lapsed due to non-payment of dues must reach out to the AMMI Canada Secretariat to determine when the membership lapsed. Once the years since membership deletion is determined, one of the following options will be presented to the member:

- **Within 1-2 years of lapse, the member is required to pay 50% of the past outstanding dues and the current fiscal year dues.**
- **2-3 years since lapse, the member is required to pay a \$75 reinstatement fee and the current fiscal year dues.**
- **3+ year of the lapse, the member will be required to re-apply as new member and pay the current fiscal year dues.**

A new invoice will then be generated for the reinstated member, and they will have XXXX to pay. If this deadline is not met, they will be deleted from membership.
