2020 JOURNAL OF THE ASSOCIATION OF MEDICAL MICROBIOLOGY AND INFECTIOUS DISEASE CANADA (JAMMI) TRAINEE SCIENTIFIC ARTICLE AWARD

This award is given to a trainee to promote scholarship among trainees. It is awarded for excellence in a scientific article on a selected topic within the disciplines of infectious diseases or medical microbiology. The monetary value of the Journal of the Association of Medical Microbiology and Infectious Disease Canada (JAMMI) Trainee Scientific Article Award is \$1,000.

Eligibility:

- The applicant must be in training or have completed training within two years prior to the AMMI Canada – CACMID Annual Conference 2021.
- The applicant must be a trainee or have recently trained in the fields of internal medicine, paediatrics, surgery, infectious disease or medical microbiology OR be a medical student or graduate student in medical science.
- The trainee must be first or principal author for multi-authored publications.
- The manuscript **must have been accepted** for publication by the Journal of the Association of Medical Microbiology and Infectious Disease Canada (JAMMI).
- Articles published from January 1st, 2020 to December 31st, 2020 will be considered.

Application Process:

The application package must include the following:

- Current CV;
- Final accepted version of the manuscript (English or French);
- Copy of the acceptance email from the JAMMI.

Deadline for applications for award is January 25, 2021.

Please send your application electronically to the AMMI Canada secretariat at krystal@ammi.ca. Receipt confirmation emails will be sent from the same address within 72 hours of AMMI Canada receiving each application.

Selection procedure:

- Members of the AMMI Canada Grants & Awards Committee will judge applications.
- Applicants will be notified of the committee's decision in **February 2021**.
- **NOTE:** If none of the applications meet the criteria no award will be granted for the year.
