

The Department of Pediatrics at McMaster University and McMaster Children's Hospital are seeking a Pediatric Infectious Diseases specialist for a 6-12 month locum tenens position in the division of Pediatric Infectious Disease. The anticipated start date for this position is December 1 2021.

The successful candidate will be responsible for direct patient care including inpatient clinical service, with a focus on outpatient clinic, as well as educational teaching in the division of Pediatric Infectious Disease. Candidates should possess excellent clinical skills with demonstrated ability to work effectively with families in the care of children. Candidates are expected to demonstrate strong commitment to best practice and advancing knowledge in the field of Infectious Diseases. Additionally, there is an expectation of excellence in the commitment to teaching across the spectrum of learners.

McMaster University is internationally recognized for innovations in medical education and pioneering biomedical, epidemiological and health systems research. McMaster University is committed to employment equity and encourages applications from all qualified candidates, including aboriginal peoples, persons with disabilities, members of visible minorities and women. In accordance with Canadian immigration requirements, this advertisement is directed to Canadian citizens and permanent residents.

Applicants should be certified (or eligible for certification) by the Royal College of Physicians and Surgeons of Canada and must be licensed (or eligible for licensure) in the Province of Ontario.

For more information, visit www.fhs.mcmaster.ca/pediatrics. Interested candidates should submit a curriculum vitae and letter of interest.
