

Infectious Diseases Specialist (Part-time)

Department of Medicine

Across our three hospitals and eight satellite sites, Scarborough Health Network (SHN) is shaping the future of care. Our many programs and services are designed around the needs of one of Canada's most vibrant and diverse communities. We are home to North America's largest nephrology program, as well as the designated cardiac care and spine centre for Scarborough and surrounding communities to the east. We are proud to be a part of the Toronto Academic Health Science Network (TAHSN) and partner with a number of universities and colleges, helping to train the next generation of health care professionals.

The Department of Medicine at SHN is seeking a part-time ID Specialist to join our team. The successful candidate will be working with a strong, supportive, and collegial group of colleagues in a three-site community hospital organization committed to providing high quality, comprehensive clinical services. As a staff ID Specialist, you will be responsible for providing consultations to in-patients as well as having the opportunity to work in a general ID out-patient clinic and in our COVID Therapeutics clinic.

The successful candidate must be eligible for independent practice licensure with the College of Physicians and Surgeons of Ontario, and hold certification by the Royal College of Physicians and Surgeons of Canada in Internal Medicine and Infectious Diseases. Emphasis will be placed on candidate(s) with experience working in a community hospital setting with strong communication skills.

Posting closing date: June 7, 2022

Contact:

We invite all interested and qualified candidates to submit an expression of interest and current CV to: mdcareers@shn.ca.
