### **AMMI Canada Active Membership Reinstatement Policy**

The AMMI Canada membership year is based on a calendar year, January to December. Members are required to submit their annual membership dues upon receipt of invoice within the first 6 months of the year, no later than June 30th of each calendar year. Members who fail to submit their dues by June 30<sup>th</sup>, will be deleted from membership.

The payment deadline ensures the continuous provision of benefits and services associated with membership.

Any former AMMI Canada Active Member wishing to have their membership reinstated after July 1, is required to reach out to the AMMI Canada Secretariat, pay a \$75 administration fee and update their profile.

An invoice will then be generated for the administration fee, and this fee must be paid before reinstatement.

N.B. To be considered for a chair or board position you are required to have had 2 consecutive years of membership.
